Increase in the retail price of sugar for PDS

*250. DR. R. K. PODDAR:
SHRI RAMACHANDRAN PILLAI:

Will the Minister of FOOD be pleased to state:

(a) whether it is a fact that due to IMF pressure Government suddenly took a decision to increase the retaill price of sugar supplied through public distribution system; and

(b) if not, the reasons for the increase in prices?

THE MINISTER OF STATE OF THE MINISTRY OF FOOD (SHRI KALP NATH RAI): (a) No, Sir.

(b) The increase in the retail issue price of levy sugar supplied through the Public Distribution System was necessitated on account of the increase in the Statutory Minimum Price of sugarcane from Rs. 26 per quintal prevailing during 1991-92 sugar year ending on 30-9-92 to Rs. 31 per quintal for the current sugar year starting on 1-10-92, the increase in conversion cost based on the schedules furnished by the Bureau for Industrial Costs and Prices and the increase in the distribution cost of levy sugar. Further, an ad-hoc increase of 40 paise per kg. has also been provided to recoup the deficits in the Levy Sugar Price Equalisation Fund of the Food Corporation of India pertaining to earlier years. Accordingly, the retail issue price of sugar has been enhanced to Rs. 8.30 per Kg with effect from 17.2.93 from the earlier level of Rs. 6.90 per kg.
